This is my first time attending a conference as a delegate, and I'm greatly anticipating the experience of debating topics essential to peace in the community with students all over China. Even though I might be behind on the number of conferences attended, I've had abundant practice in HIS and brace myself for any number of unassociated or unfamiliar events. I will do my best as a delegate and express my thoughts for my country and other countries clearly and respectfully. I'm expecting a great success, and will take experience gained from this conference on with me to conferences in the future.
